The giff was a domestic in the house of admitted that he has been in communication with contractors in Japane.

"Chinese are excluded from Nicaragua," Mr. Miller said to an Evenisa Would report to the Far Rockaway road.

"Chinese are excluded from Nicaragua," Mr. Miller said to an Evenisa Would report to the Far Rockaway road.

"Chinese are excluded from Nicaragua," Mr. Miller said to an Evenisa Would report to the Far Rockaway road.

"Chinese are excluded from Nicaragua," Mr. Miller said to an Evenisa Would report to the Far Rockaway road.

"Chinese are excluded from Nicaragua," No. Mr. Aug. 1, 1891, with \$12. That night states, but there is no law against the importance of the house of the No. Thomas W. Martin, rector of Trinity to the Far Rockaway road.

The giff was a domestic in the house of t fied by Mrs. Salmon, of 162 Adams street, tation of Japanese.

through her back yard, having climbed a fence in the rear of a house on Washington street.

Conner went through High street just in time to see the three boarding a Seventh avenue car. He jumped on the car and asked the man what he had been doing. "It is reprited that there has been agreating with his sons; that they had run away from him and be had been compelled to go into the yard to catch them. While the policeman was taiking with Miller, G. Muller, of 165 Washington street, came up and told the officer that his cigar store had been doed.

"We have been able thus far to get plenty of Jamaica Islanders, and have not made any arrangements to import men from any part of Europe."

"We have been able thus far to get plenty of Jamaica Islanders, and have not made any arrangements to import men from any part of Europe."

"Do you not employ men from the United States." Mr. Miller was sasked.

"Kliler was asked.

"Kliler was asked.

"It is reported that there has been agreat deal of sickness among your men?"

"That is false. Dr. Stubbert, the chief surgeon, is now in New York, and if there was any sickness in Nicaragua he would be sent for."

According to the care and in the Maternity Hospital, in Horoxi', he ado been in the Maternity Hospital, in Horoxi', he ado been a "John Smith, blacksmith."

The mystery in the case was found dead with the story of strangulation.

Skilled men from this country, but not labourer, "he replied.

"Kliller men from the United States." Mr. Miller was asked.

"It is reported that there has been agreat deal of sickness among your men?"

"That is false. Dr. Stubbert, the chief was any sickness in Nicaragua he would be story of Charles it. Weber, of New linders, and that the inthe false was deal may be a story of charles it. MILIFY ON THE TALISMAN.

MUTINY ON THE TALISMAN.

Captain of the Camp Low Tug Attached by Two of His Crew.

The policeman discovered that in the same manner the tailoring establishment of allis H. Lutry, at 107. Washington street had been made by boring holesthrough the door and pushing back the latch. The policeman discovered that in the same manner the tailoring establishment of allis H. Lutry, at 107. Washington street had been frightened away while atwork.

Capt Eason also learned that on the floor in the cellar. The burglars evidently had been frightened away while atwork.

Capt Eason also learned that on the floor in the floor in the floor in the stellar was a large crowd at the public hearing given by the Raifroad Committee of the Board of Aldermen in the Council chamber at the Tere was mutty and bloodshed on the tug Talisman, whilen is engaged to carry supplies from this city to Camp Low at Sandy Mook and Jimmy were found on the floor in the cellar. The burglars evidently had been frightened away while a twork.

Capt Eason also learned that on the floor in the cellar. The burglars evidently had been frightened away while a work of \$100 worth of property, having been entered in the same manner as the Washington street stores. Detectives Rearney and Nooman Sevententhal the prisoners and a some of Crauss property was recovered.

J. P. Canty, of New Rochelle, read in the newspapers of the arrest of the mean and boys, and came down to Erocklyn, where he identified the prisoners as having troken into and robbed his house of \$500 worth of property on the night of the burglary Miller and boys found in Libry's cellar in a piece of paper and secreted ther after warped the tools found in Libry's cellar in a piece of paper and secreted ther after warped the tools found in Libry's cellar in a piece of paper and secreted ther after warped the tools found in Libry's cellar in a piece of paper and secreted ther after warped the tools found in Libry's cellar in a piece of paper and secreted ther after warped the tools f Miller and his sons were taken to the stution-house, where bergt. Harkins no-

boys, and came doon to the control of property on the night of the 16th.

Charles Miller, or Hart, the younger son has contessed that a few nights before they were arrested his father wrapped the tools found in Lubry's cellar in a piece of paper and secreted them in the vicinity of the store.

On the night of the burglary Miller and his eldest son went into the store, leaving him eldest son went into the store. On the night of the burgiary Miller and his eldest son went into the store, leaving him on the sidewalk with instructions to whistle if anybody approached. When he saw Muller he whistled and the three were about to excape when they were captured. He says his father always disposed of stores property as father always disposed of stores property as

on as he got it. Capt. Eason was convinced that Miller had oad record, and he continued his investiga-on. He learned that Miller came from Jer-y City and that he had lived in Borden-

vented by the boy.

He was tried on Jan. 16, 1861, under the name of Henry bow. He was convicted of murder in the first degree, and was sentenced to be hanged the following April.

Gov. Parker was induced to commute the

mentence to imprisonment for life on account of his youth. He was defended by cx-Gov. Ludlow and prosecuted by District-Atterney Elmendorf. After serving seventeen years in prison he was pardoned.
His father died in Chatham street (now Park Row), leaving him considerable money. He went to Bordentown to live and opened a crockery store.

The store was birned to the ground in tempted to end her life at her home, to rorsome mysterious manner. He moved into an other house, and this also was destroyed by figures. Marsnai Jobes watched him very closely and he finally left town.

Miller and the two boss were arraigned this morning before Justice Weish, in the Adams which fell into the hands of the police, who served Court, for burghary. Miller was comserved to the police was a street Court, for burghary. Miller was comserved to the police who seem her to Gouverneur Hospital a prisoner. store was burned to the ground in Street Court, for burgiary. Miller was com-mitted to Raymond Street Jali pending ex-amination on Cet. 4. One boy was sent to St. John's Home.

PARTED ON THEIR WEDDING DAY.

Young Husband Must Contribute

Towards His Wife's Support. A pretty little brunette named Minnie O'Hara, who does not look over lifteen, was in the Butler Street Court, Brooklyn, this morning and preferred charges of abandonment against her hussand, Edward O'liara. The couple were married on April 21. They have not fived together slace nor has O'liara ntributed to his wife's support. Judge Tighe ordered O'llara to pay his wife
